Enrolling in Classes with Existing CPS Account

1. Go to the eInstruction website (www.einstruction.com) and click on the Students button.

2. Select Florida Coastal School of Law and click Select.

3. Click the Here link under the question “Have you used CPSOnline before.

4. Enter your CPS username and password. Click Sign In.
5. Click on Enroll in a Class.

6. Enter Class Key and Confirm ClassKey. Your serial number should automatically fill in. Click the I have read and agree with the Student Refund Policy. **Do not fill in a student ID.** Unless you have a lifetime code, you may need to fill in a registration code. If you do not have a lifetime code and are paying by credit card, you will be prompted at the next screen. Click Next.

7. If the process was completed successfully, you will receive a screen that says Enrollment Complete. To add other classes, click on Account Information and continue the same process from Step 5 above.

8. **Enrollment Complete**

Your enrollment is complete. Do you wish to enter your class now or view your user account information?
