

RECIPROCITY POLICY

Florida Coastal School of Law is pleased to provide access to our Career Services Department to students and graduates of other ABA-accredited law schools. The Career Services Department reserves the right to adjust the stated policy if the requesting school has a more restrictive policy. Guidelines for reciprocity are as follow:

- ◆ Reciprocity will be granted only to other ABA-accredited law schools, which provide reciprocal privileges to students and alumni of Florida Coastal School of Law.
- ◆ Requests for reciprocity must be made in writing by a career services administrator, certifying the status of the student or alumni who is seeking reciprocity.
- ◆ Students/alumni will have access to job postings, resource materials and handouts for a period of 90 days. Reciprocity does not include participation in any interview programs, job fairs, or individual counseling appointments.
- ◆ Students/alumni will be placed on the on-line career center, Symplicity for 90 days to review job postings for their personal use only, and not to be shared with other non-reciprocal students/alumni.
- ◆ Reciprocity will be granted for a three-month period with the exception of Fall OCI, between August 18 and November 15.
- ◆ Students/alumni should bring a copy of the letter granting reciprocity privileges and register with the Center's staff at each visit.
- ◆ The Career Services Department may deny further reciprocal privileges to any individual who misuses its facilities or services.

Requests for reciprocity should be directed to the Career Services Department at 904-680-7744 or careerservices@fcsl.edu. We look forward to working with you.
