Symplicity
A Student's Guide
2014-2015
Click on the “Events” tab. Then select the Workshops sub-tab. A listing of events will be displayed. The CPD normally adds all of our events to Symplicity in the beginning of the semester. To RSVP, click on the name of the event and click on the RSVP button. **Tip:** You can filter by Workshop Type using the drop down to select only Workshops or Shadow Program events. **Tip:** You can also send yourself a calendar invite by clicking on the Add to Calendar button.
If at any time you have a problem with Symplicity that this manual does not cover or have other questions, please contact Lauren Avila in the Center for Professional Development lavila@fcsl.edu.
