<b>***Skills-Satisfy skills requirement. Limited Enrollment.</b>										

1	Distance Education Course - Asynchronous courses are those in which the professor and the students interact in different places and during different times. Students enrolled in asynchronous courses are able to complete their work whenever their schedules permit. Asynchronous distance learning often relies on technology such as message boards, email, social media, and pre-recorded video lectures.																	
2	Distance Education Course - This course is for 3L (Third year) students only and will meet in an asynchronous format (no required meeting day/time)																	
3	Course will meet for for the first 9 weeks of the semester.																	
5	Course will be offered in the second 7 weeks of the semester February 24th - April 21st																	
6	Course will be offered in the first 7 weeks of the semester January 13th - February 26th																	
7	Distance Education Course - will be taught as a hybrid; one day in class; one day online																	
8	AFBS is for students in their last semester 3L year and taking the Florida Bar Examination. AFBS has an application process; students may fill out the application by going to the link on the Registrar webpage, Registration Tools when registration begins. The deadline for submissions of applications is 11:59 p.m. on Sunday, November 17, 2013.																	
9	A student cannot take the Wrongful Convictions Clinic and the Wrongful Convictions course. As they are the same in content. A student can take one or the other.																	

**Synchronous courses** are those in which the professor and the students interact in different places but during the same time. Students are generally required to log on to their computer during a set time at least once a week. Synchronous distance learning may include multimedia components such as group chats, web seminars, video-conferencing, and phone calling.

Distance Education

**Asynchronous courses** are those in which the professor and the students interact in different places and during different times. Students enrolled in asynchronous courses are able to complete their work whenever their schedules permit. Asynchronous distance learning often relies on technology such as message boards, email, social media, and pre-recorded video lectures.

Distance Education

**Center for Law Practice Technology Courses**

<sup>10, 11, 12, 13</sup> Each of the synchronous and in-person sessions will last only 50 minutes.
