Symplicity Login Problems

Are you experiencing difficulty logging into Symplicity? Here are the steps that you should take in order to successfully login:

1. Please make sure you are logging in at:
   
   https://law-fcsl-csm.symplicity.com/students/

2. Login with your C number e-mail address (C#### #@law.fcsl.edu), not your alias, and the same password that you use for your FCSL account. If that does not work, see Step 3.

3. Make sure that you can log into the Account Self-Service Portal at https://assp.fcsl.edu/. Click on “Manage My Alias” to login. (Your Symplicity account login is synched to this portal.)

4. If you are unable to log into the Account Self-Service Portal, click on “I don’t know my Coastal Login and/or Password” to reset your password.

5. Once your password is reset, log into Symplicity at https://law-fcsl-csm.symplicity.com/students/ using your C-number e-mail address (C#### #@law.fcsl.edu), not your alias, and the same password that you use for your self-service portal.

6. Every time you change your e-mail account password, your Symplicity password will also change. However, your username on Symplicity will always remain your entire C-number e-mail address until you graduate.
