

LOCKER POLICY

Who can use a locker?

Lockers are available to all J.D. students. Students use the lockers at their own risk. It is recommended that students not store valuables in their lockers. Students are expected to abide by the terms and conditions set forth in this document. LL.M. students need to obtain approval from security prior to claiming a locker. To obtain a locker, complete the following steps:

1. Select and record the number of your desired locker location
2. Complete the Locker Registration Form (available online at <http://www.fcsf.edu/student-life-safety-and-security.html>)
3. Either remove your belongings by July 15th of the same academic year or complete a new form for the next academic year which opens on July 1st

What kind of lock can I use?

Students can elect to buy any kind of combination lock. Keyed locks are not allowed. The combination must be submitted at the time of registration.

What if I lose my combination?

Security will maintain a list of locker numbers and combinations. If a student loses or forgets their locker combination, Security will provide the combination only to the assigned student. Students MUST show their school ID badge before a combination will be provided. Under no circumstances will Security provide a combination to anyone other than the student assigned.

How long can I use a locker?

Locker Registration Forms open online (available at <http://www.fcsf.edu/student-life-safety-and-security.html>) beginning July 1st for each academic year. Locker assignments are good from the date of registration through the end of the academic year (July 15th). All lockers will be cleaned out at the end of July. Security is not responsible for any items left in a locker past the July 15th date. All personal belongings left will be thrown away. If you re-register your locker for the next academic year prior to July 15th, you do not need to remove your belongings.

If a student is dismissed, or withdrawals/transfers, they will have one (1) week past the date of their status change to remove all items from their locker. Any items left will be disposed of after one week.

What can I store in my locker?

You can store books, clothes, dry food items (granola bars, protein powders, chips, etc.) and gym items (soap, towels, toiletries, etc.). Below is a list of prohibited items.

1. Flammable materials, chemicals, explosives or weapons of any kind
2. Alcohol and illegal and/or controlled substances, unless prescribed to that particular student by a physician
3. Perishable items

All lockers on campus are property of Florida Coastal School of Law and are subject to unannounced locker searches with or without student consent.

Can I have more than one locker?
